## Microbiology for Clinical Laboratory Science Program of Study

### Part-Time Certificate Program

The part-time certificate program in Microbiology for Clinical Laboratory Science admits for the Fall semester only. This sample program of study outlines the 15 credits needed to successfully complete the program

#### Year One

Fall	Spring	Summer
CLS 119: Intro Immunologic Fund CLS 123: Clinical Microbiology I	CLS 118: Laboratory Operations CLS 124: Clinical Microbiology II	CLS 131: Clinical Microbiology Prac CLS 140: Clin Lab Management

Course	Title	Credits	Offered
Professional Core: 15 Credits			
CLS 118	Laboratory Operations	1	Spring
CLS 119	Introduction to Immunologic Fundamentals	3	Fall
CLS 123	Clinical Microbiology I	2	Fall
CLS 124	Clinical Microbiology II	2	Spring
CLS 131	Clinical Microbiology Practicum	4	Summer
CLS 140	Clinical Laboratory Management	3	Summer
