THE GEORGE WASHINGTON UNIVERSITY MEDICAL CENTER
WASHINGTON DC

Clinical Management and Leadership Program

Program

Programs are based on year-round study (fall, spring, and summer semesters). Academic Programs of Study are based on course offering during the particular semester. Students in the Clinical Management and Leadership program must successfully complete 36 semester hours. These include: 6 semester hours of research core course work, 9 semester hours of the professional core, and 21 semester hours in the clinical practice management field.
