HOMELAND SECURITY POLICY INSTITUTE STATEMENT ON NIDAL HASAN

NOVEMBER 19, 2009

WASHINGTON — In his capacity as Disaster & Preventive Psychiatry Fellow at the Uniformed Services University School of Medicine, Nidal Hasan registered (RSVP'd) to attend as an audience member a number of Homeland Security Policy Institute (HSPI) events in the period June 2008 to February 2009. All of these events were open to the public.

Our Presidential Transition Task Force Events were open to the public and invitations were shared with numerous government departments and agencies, including senior officials at the Uniformed Services University of the Health Sciences (USUHS). These senior leaders at USUHS in turn shared the invitation with their subordinates, including Hasan.

At no time has Nidal Hasan been affiliated with HSPI or The George Washington University. He has never served as an HSPI Task Force Member, briefer, or featured speaker at an HSPI event.

HSPI's Presidential Transition Task Force is not and was not affiliated with any Administration; and was created prior to the election.
