

## Web Resources on Cultural Competency

[Community Toolbox](http://ctb.ku.edu/about/en/) (<http://ctb.ku.edu/about/en/>): whose mission is "Promoting community health and development by connecting people, ideas and resources." Has additional links.

[Ethnic Medicine](http://ethnomed.org/) (<http://ethnomed.org/>) and ([http://depts.washington.edu/ethnomed/HMCproject/hmcproject\\_talk\\_0302/RefugeeHandoutP1.htm](http://depts.washington.edu/ethnomed/HMCproject/hmcproject_talk_0302/RefugeeHandoutP1.htm)) for information about cultural beliefs, medical issues and other related issues pertinent to the health care of recent immigrants to Seattle, many of whom are refugees fleeing war-torn parts of the world. Has some specific article links.

[Cultural Information at Galaxy](http://www.einet.net/directory/23036/Health.htm) (<http://www.einet.net/directory/23036/Health.htm>) for information about different ethnic and religious groups, immigration, world communities, resources for diversity and community development. Has additional links.

[Diversity RX](http://www.diversityrx.org/) (<http://www.diversityrx.org/>) promotes language and cultural competence to improve health care for minority, immigrant and ethnically diverse communities. Has additional links.

The Implicit Association Test (<https://implicit.harvard.edu/implicit/demo/>) to begin to understand how we respond unconsciously and automatically to someone based on appearance.
