

Export Control: Decision Map

Does the activity/project/contract restrict publication or presentation of the research results?

YES

NO

Does the activity/project/contract limit or prohibit foreign nationals from performing work or accessing the research results?

YES

NO

Does the contract prohibit results or deliverables from being disclosed or delivered to any country or persons?

YES

NO

Will any information used in the project be obtained from a third party subject to non-disclosure obligations?

YES

NO

Is any equipment or encryption software required to be delivered as a part of the activity/project/contract?

YES

NO

Is the equipment or software listed on the export control list?

NO

To comply with export control regulations and university policies, a further analysis and review of your planned activity/project/contract is required. Please contact RMOEP at 202.994.2312 to schedule an appointment.

Further review of the activity/project/contract for compliance with export controls is not necessary at this time. Changes of any kind, in the activity/project/contract will require a new export control analysis and review.
