

## **OSHA TRAINING FOR RESIDENTS**

### **PURPOSE:**

To ensure compliance with the Occupational Safety and Health Administration standards under the Occupational Safety and Health Act. The purpose of the standard is to prevent or to reduce the possibility of exposure to bloodborne pathogens in the workplace.

**REQUIREMENTS:** Residents must receive annual training in occupational risks and methods to reduce risks in compliance with OSHA standards on occupational exposure to bloodborne pathogens.

Residents are required to take and pass the OSHA test provided at each training session.

Documentation of attendance at annual training will be retained in the GME Office and provided to affiliate institutions upon request.
