University Statement on Security

GW is committed to assisting all members of the GW community in providing for their own safety and security. The annual security compliance document is available on the UPD website at <http://gwired.gwu.edu/upd>. If you would like to receive a booklet called "The Pride Brochure," which contains this information, you can stop by the University Police Department at 2033 G Street, NW, Woodhull House, Washington, DC, 20052, or you can request that a copy be mailed to you by calling 202.994.6948. The website and booklet contain information regarding campus security and personal safety on topics such as: crime prevention, University Police law enforcement authority, crime reporting policies, disciplinary procedures, and other matters of importance related to security on campus. They also contain information about crime statistics for the three previous calendar years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by GW; and on public property within, or immediately adjacent to and accessible from the campus. This information is required by law and is provided by The George Washington University Police Department.
