

# SUMMER 2009

## SPHHS COURSE SCHEDULE

### PUBH, HSML & GRAD EXSC COURSES ONLY

*(This schedule is subject to change. Updates will posted on the SPHHS Listserv)*

**REMINDER:**

**Variable Credit Hour Courses and Course Credit Issues – Credits Must Match Curriculum:**

Students who register for courses designated with variable credit hours **MUST** register for the same number of credit hours assigned to the course(s) in effect for their entry term and year. Please refer to the curriculum plan for the year in which you matriculated in your program to find out the correct course credit. It is the student's responsibility to register for the correct credit hours. Failure to register for the correct credit hours will result in having to adjust the credit hours, which may result in a financial penalty and a delay in graduation.

**A ROOM LAYOUT OF THE 1<sup>st</sup> & 2<sup>nd</sup> FLOOR OF ROSS HALL IS LISTED ON PAGES 9 & 10**

1. **PHHS 920-** Students who started the program during the summer of 1998 or later who have completed all course work and have registered for the special project, residency or thesis must register for 1-credit hour of Continuous Research to remain in status with the University if they have not completed the special project, residency or thesis.

Please see Student Handbook, page for further information about this requirement and the petition process to register instead for continuous enrollment. If you believe you qualify to register for continuous enrollment instead, please contact the Office of Student Records for registration information

2. **UNIV 992-** Students who wish to take some time off from their program may request a leave of absence. You must first complete a Petition Form and submit it to your faculty advisor. After your advisor approves your petition, please return it to the Office of Student Records, Ross Hall, Room, 222. You may register for leave of absence after your petition has been approved. You may not register for the leave of absence status if your petition is denied.
