My Future Goals Start my own corporate wellness consulting firm.		
What was best about the School of Public Health and Health Services at GW The diversity of the students.		
What was best about living in the Washington, DC Area There are a ton of places to visit and tour around as well as some great locals places.		
My message to applicants If you're a little unsure of where your career future is going or if this program is part of your plan, GW offers a great opportunity.
